A photograph of a computer keyboard, specifically the lower right section. A small, dark, rectangular object is resting on the 'Enter' key. The keyboard is black, and the keys are white with black lettering. The object is positioned on the 'Enter' key, which is located to the right of the 'Shift' key and below the 'Ctrl' key. The object appears to be a small electronic component or a piece of tape. The background is dark and out of focus.
